WORK EXPERIENCE

Sep 2018 - Freelance

Full-Stack Developer & Graphic Designer

Worked as a freelancer on various graphic design or web development projects. I used platforms such as Fiverr, 99Designs, or found clients by reference.

Apr 2020 - Grupo9 (Switzerland)

Full-Stack Developer & Graphic Designer

Worked with a server-hosting company where I redesigned and developed the dashboard that their clients used. The project required vanilla languages only, such as HTML, CSS, PHP, and plain JavaScript.

Jul 2020 - Canon (Romania)

Front-End Developer

Created tools and widgets that would help service users customize their experience or make their workflow more efficient. Most of the work was done in Angular 5.

Feb 2021 - EduKiwi (Romania)

Front-End Developer & Graphic Designer

Worked with a marketing agency where I coded and did maintenance on promotional websites. I also designed social media content for various clients.

Oct 2021 - SENSE4FIT (Romania)

Full-Stack Developer

I built the website for a fitness-centric startup dealing in cryptocurrency & NFTs.

Apr 2022 - EasilyAmused (Florida, USA)

Graphic Designer & Front-End Developer

Redesigned web pages and built a large collection of widgets for a WordPress company that sells custom themes.
